

CHOICE OF ACADEMIC STREAMS

INSTRUCTIONS AND SCHEDULE FOR 2015 E.C. ENTRY, REGULAR UG STUDENTS

Dear 1st year students of the AAU who are not already placed in the different schools (Except AAiT): your first year program is going to be concluded shortly and you will soon be ready to choose the academic streams offered by the colleges and programs of our University. Follow the steps described on #1 below to choose your academic streams from #2 or #3. Time table is placed on #4.

1 Choose your academic stream online

Please follow the following steps to make your choices online.

- Go to your home page: portal.aau.edu.et.
- Login by typing your username and password
- Click on **Admissions** and choose **Placement**
- You will find a list of academic programs.
- Indicate your choices in rank order, as 1, 2, 3 . . your first choice being 1, your second choice 2, etc in front of the listed discipline/program.
- Click on **Submit** for the confirmation

Note:

1. You yourself have to submit your choices using our online system.
2. You can also get assistance from your nearest registrar office staff to submit your choices online.
3. Failing to submit your choices before the set deadline means losing the opportunity to compete for your choices. Our automated placement system will place you randomly in any available slot.
