

Orientation for SPHMMC entrance exam

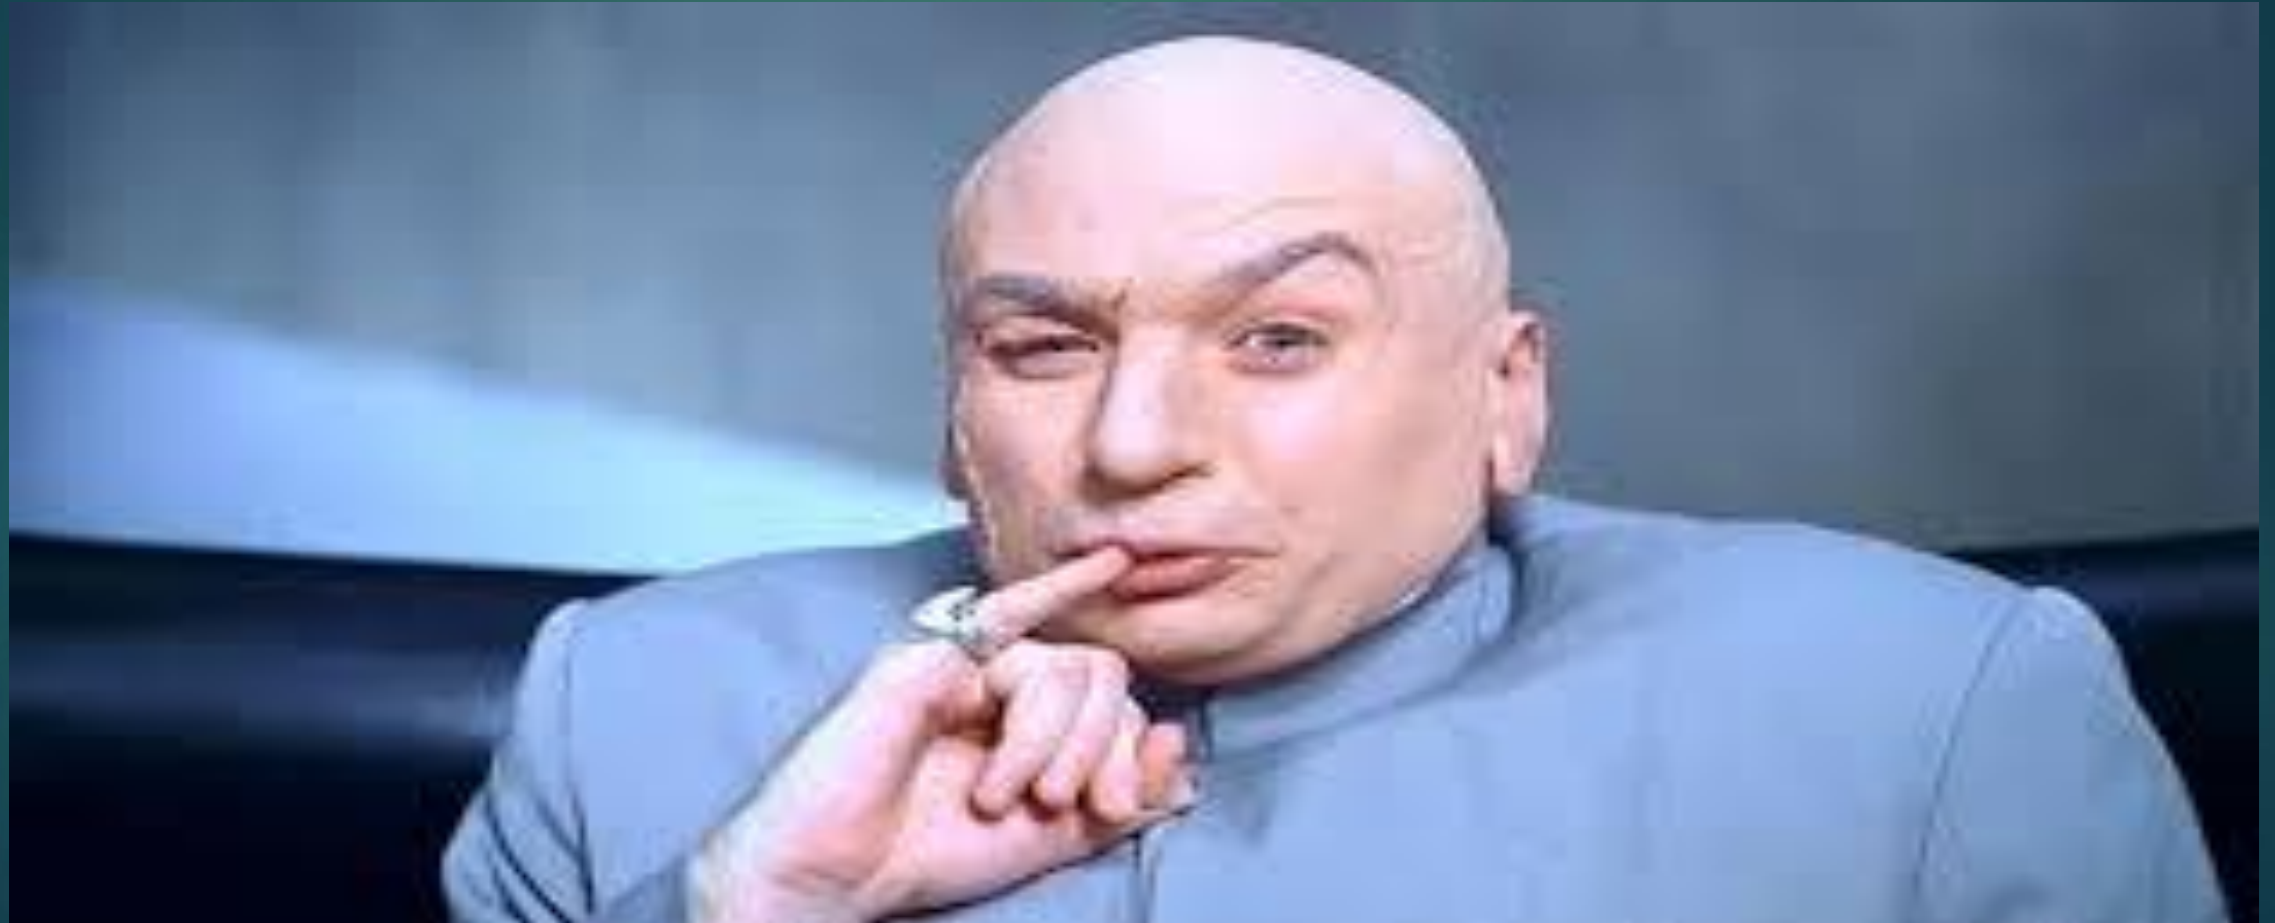

BY KALEB ASSEFA

MODULE III STUDENT

AUGUST, 2016

Do want to be a doctor???

2

Why do you want to be a doctor??

3

INTEREST

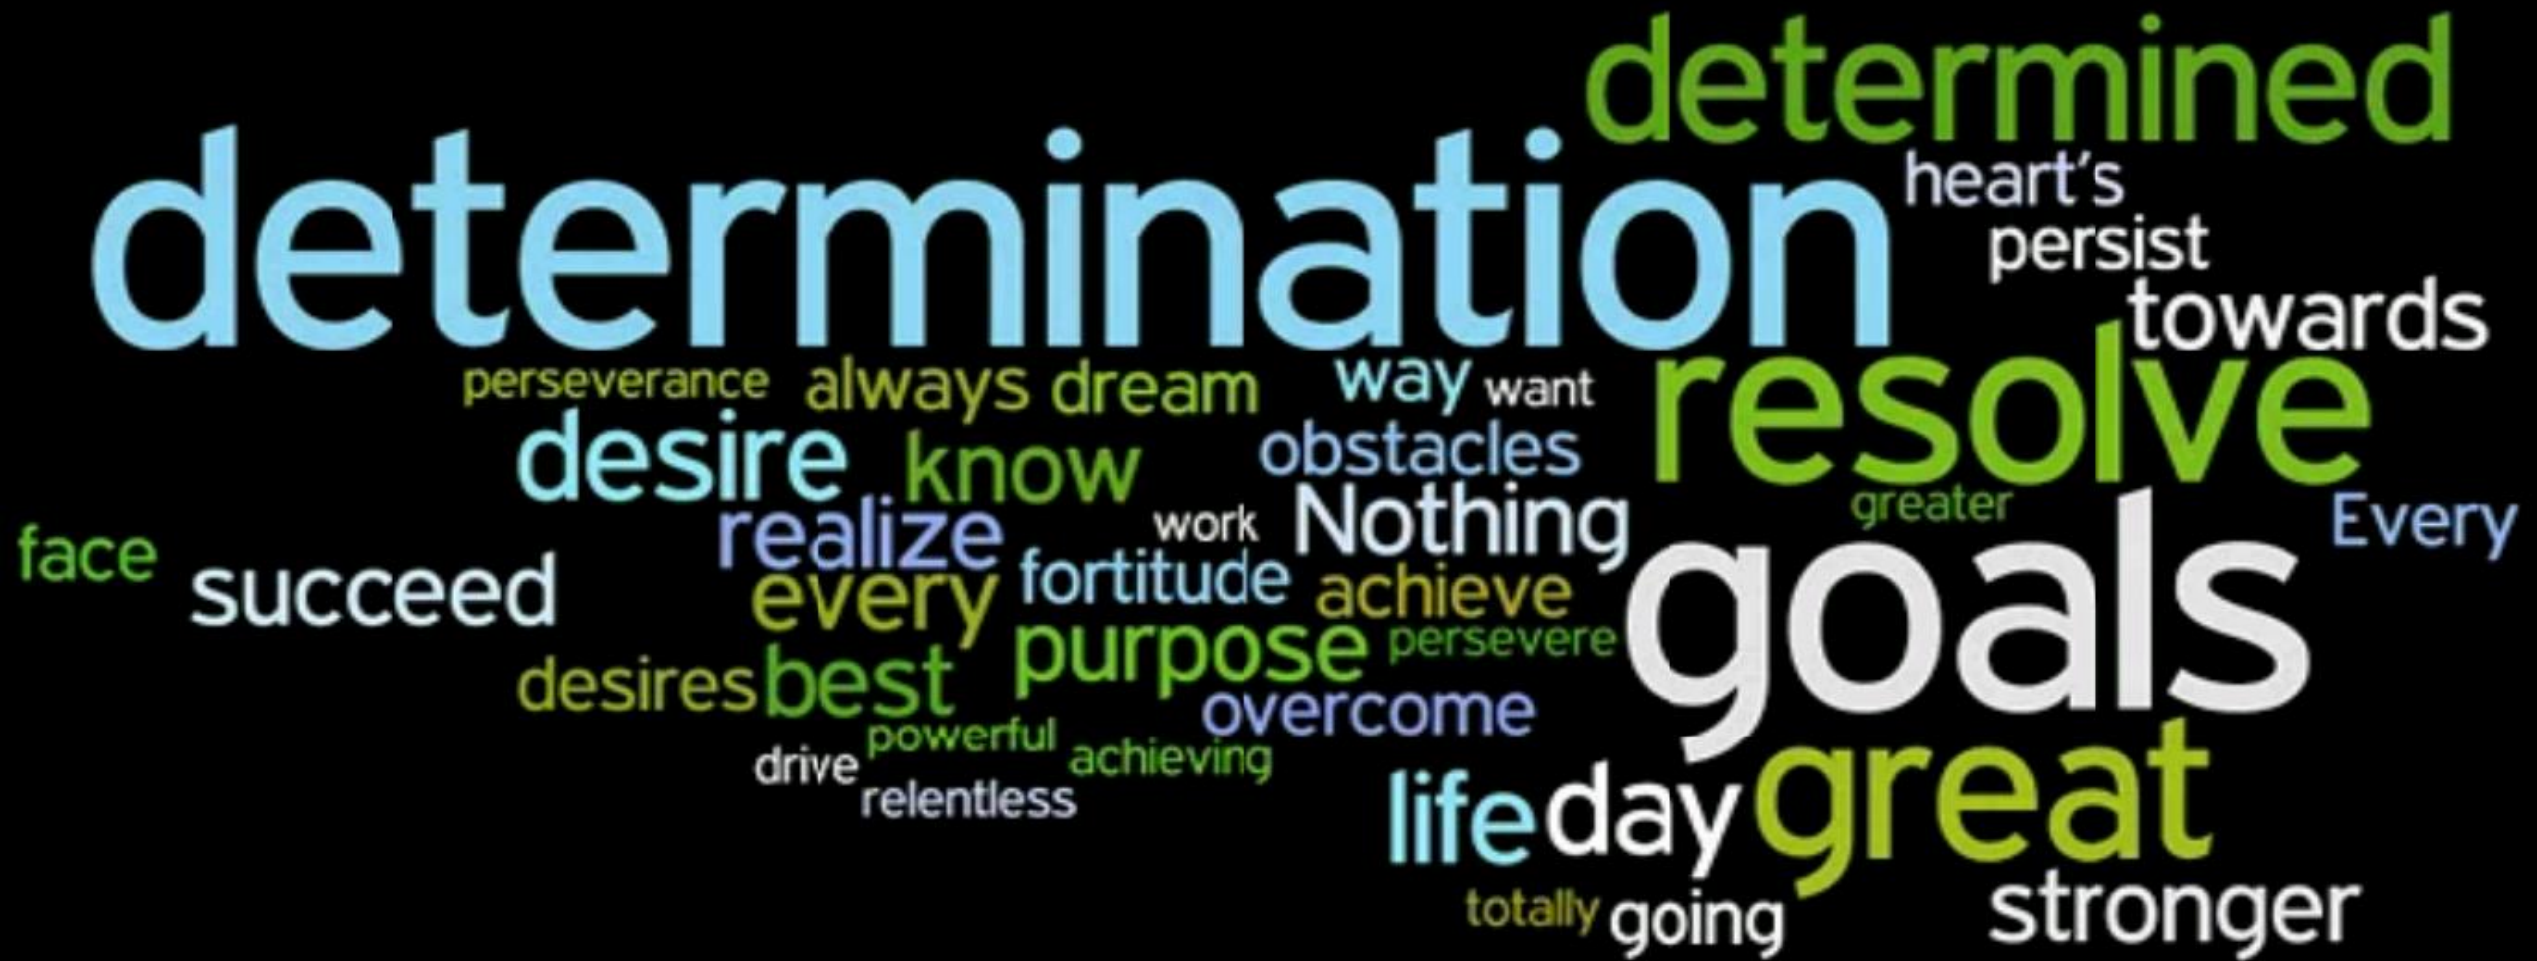

- ▶ Am I interested
- ▶ Is this what I want to do for the rest of my life???
- ▶ *IN FACT,*

<Its not about how bad you want to become a doctor, It is about how hard you are willing to work for it.>

Commitment

- ▶ Am I willing to give my time and energy?
- ▶ Think about the End game because, you may have been called many things in your life but <doctor> will definitely be your favorite.

- ▶ Am I willing to work hard and put all my effort in to it.
- ▶ Be a person of principles
- ▶ No turning back

“ STETHOSCOPE IS
THE MOST
EXPENSIVE
JEWELLERY. FOR IT
COSTS YOU YOUR
YOUTH ”

Medicine

7

Despite everything
medicine is

- ▶ fun
- ▶ very interesting
- ▶ You will enjoy the
Social life

Do you still want to be a medical student ??

GOOD

Because at the end You can be

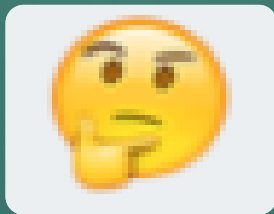

- a doctor
 - A good doctor or
 - A great doctor
- ▶ The choice is yours

If you want to be a great doctor
then St. Paul is your place.

9

Why?

SPHMMC is the best medical school because ;

11

- ❖ Integrated curriculum
- ❖ Only one of the outstanding students can learn in this medical school
- ❖ dormitory and cafeteria service for all students(including those coming from AA.
- ❖ Construction of medical facilities=>the first national cardiology and oncology center
- ❖ Beginning clinical practice from first year.
- ❖ Mentorship from module one up to module six.
- ❖ Strive to reduce maternal and neonatal mortality rate.
- ❖ Safe environment.
- ❖ To become a best physician

13

► The question is what do you need to join SPHMMC??

- [illegible]

[illegible]

The Written exam (most important)

20

► 4 sections

- English 30 (at most)
- Biology 30 „
- Chemistry 30 „
- Common Clinical Questions 10 „
- All questions are MCQ.
- Last year it was 20 questions each except last one which was 10,
 - ❖ Human biology and health chemistry stoichiometry balancing chemical kinetics chemical equilibrium acid base equilibrium bonding titration grammar question analogy most like SAT
 - ❖ Enzyme
 - ❖ Cell biology
 - ❖ Energy transformation
 - ❖ 11 and 12 biology every portion is important and from 9 and 10 human biology and health respiratory system circulatory system

English part

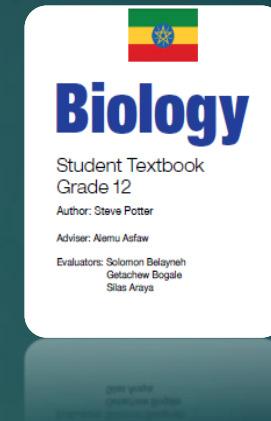

21

- ▶ Grammar questions
- ▶ Analogy
- ▶ Comprehension
- ▶ National exam question

Biology

22

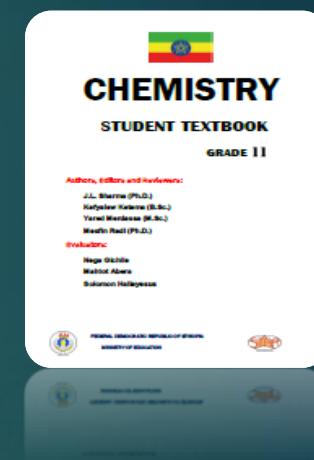

- ▶ All grade 11 and 12 chapters are necessary
- ▶ Plus grade 9 human biology and health
- ▶ CVS, Respiratory system and digestive system
- ▶ Try to look at the National exam questions

Chemistry

23

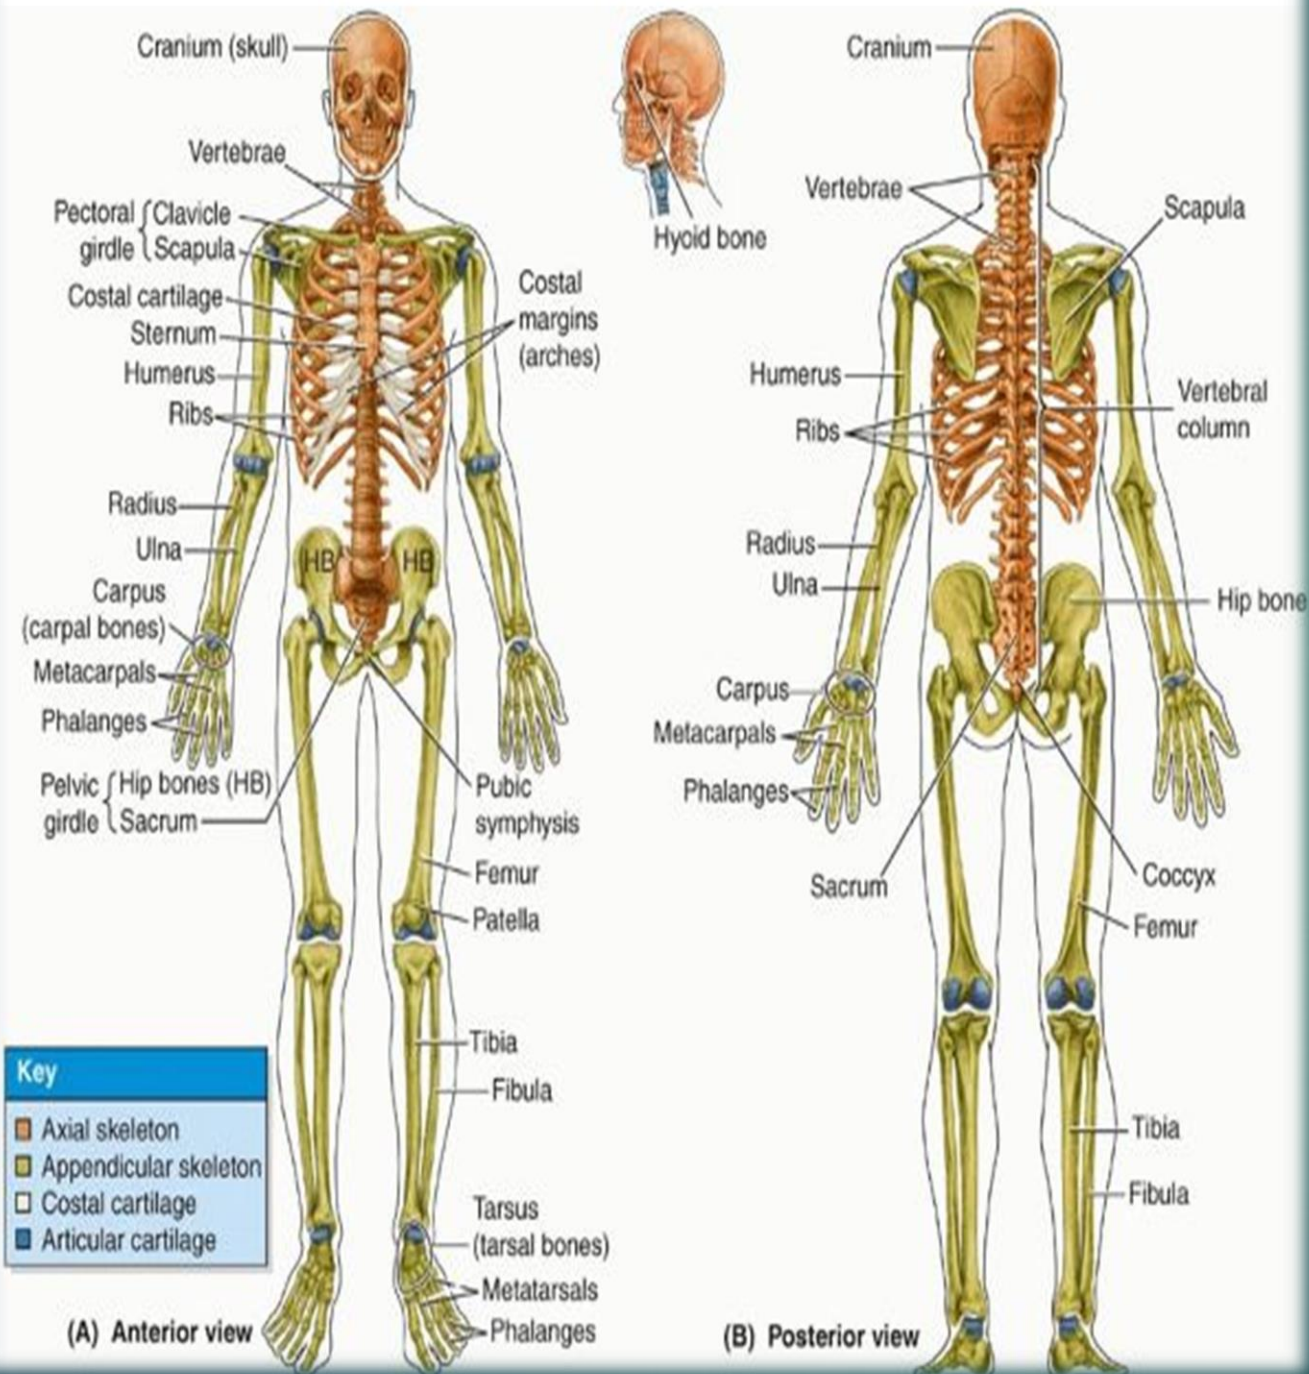

- ▶ Again grade 11 and 12 chapters are necessary
- ▶ Hybridization, configuration (S,P,D,L,F)
- ▶ All chemical equation based questions at least try to look at them
- ▶ National exam questions
- ▶ Extreme book series could help you a lot

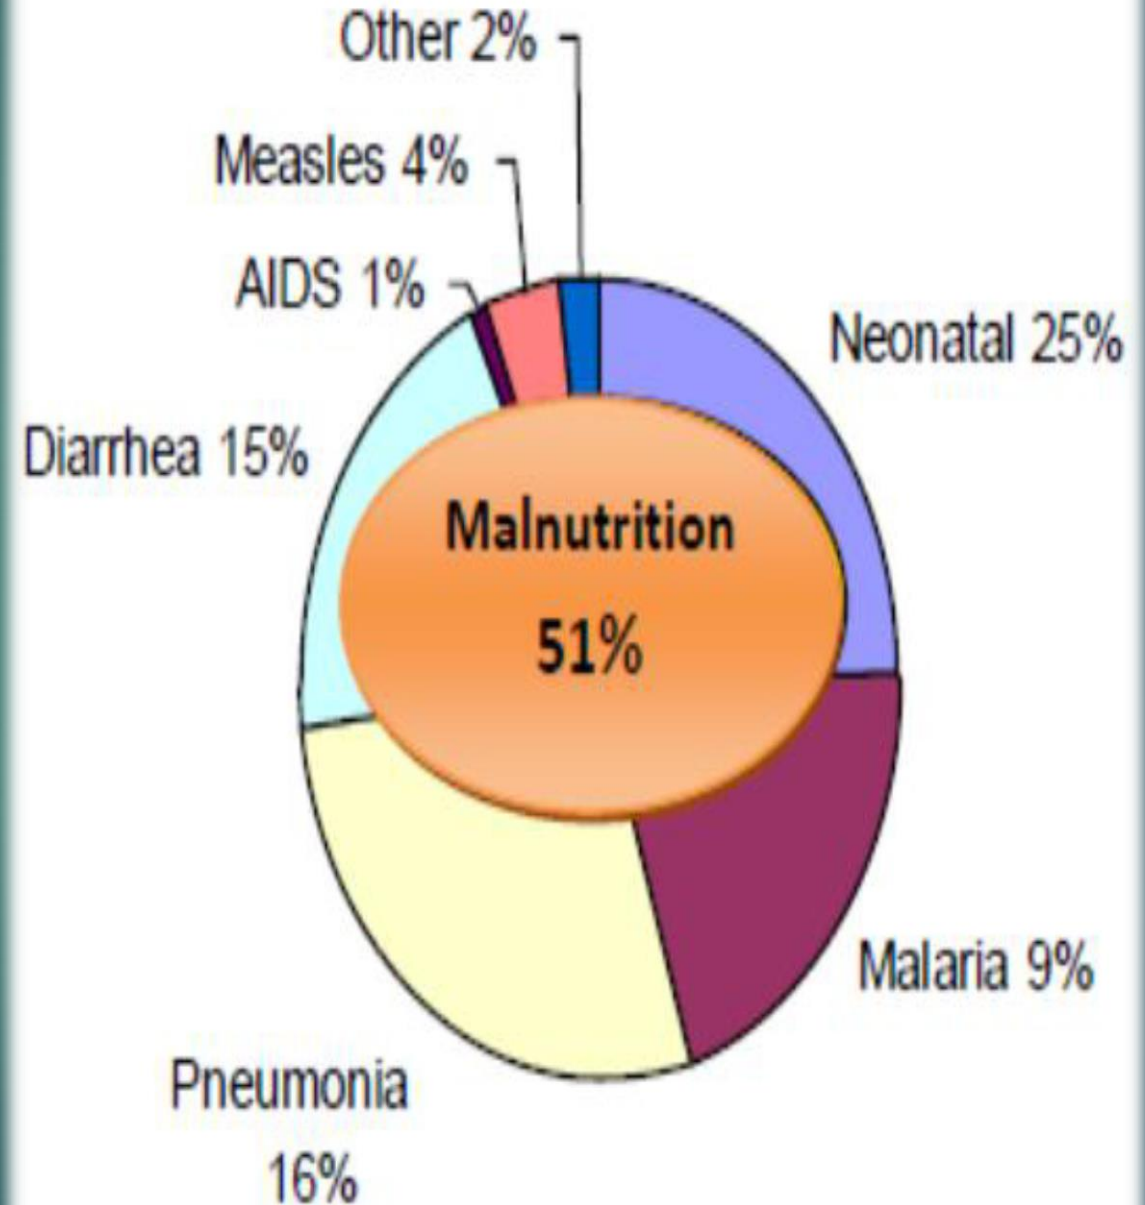

Common Clinical

24

- ▶ **Easy general clinical questions like**
 - ▶ What is the most common cause of maternal death in Ethiopia??
 - ▶ What is the common cause of under 5 children death in Eth.
 - ▶ Almost all deaths related to malaria are cause by which type of plasmodium??
- ▶ **Millennium development goals(MDGs)**
- ▶ **Sustainable development goals(SDGs)**

Causes of under-5 deaths

THE INTERVIEW

26

THE INTERVIEW

MOMENT OF TRUTH

► Mostly it will have 4 portions

- About yourself
- Why you wanted to be a doctor and why you chose St. Paul
- General clinical questions
- Others unrelated like what do you think about teamwork...etc.

Sample interview questions

28

- ❖ Who are you?? a very difficult question. Tell us about yourself ? What do you like?
How do you study?
- ❖ why do u want to be a doctor? 1 reason is not enough
 - give a very strong reason
 - interest passion dream...
- ❖ What is endemic ,pandemic, sporadic ,epidemic, disease?,
- ❖ Assume u are a doctor and what would u do if a girl comes to u claiming she was raped
